ACCEPTED ELECTRONIC WASTE

E-Waste E-Waste (electronic waste) refers to unwanted electronic products, including computers, TVs, VCRs, stereos, copiers and telephones. Do not throw unwanted e-waste in the trash! E-waste can not be disposed of in landfills since they contain hazardous chemicals such as lead and mercury that are harmful to the environment. LASAN SAFE Centers are open every weekend and provide an easy way to recycle your household electronics.

IMPORTANT E-WASTE NOTES

- Remove all data from electronic devices before disposal.
- Remove all liquids (e.g. water, oil, toner, etc.), food, waste, and accessible batteries.
- For large and heavy electronics call 311 or use the MyLA app for curbside pickup

WHEN VISITING A SAFE CENTER

- Pack your waste properly to prevent tipping or spilling of waste during transportation.
- Remove all other items from your trunk.
- Smoking is prohibited at all S.A.F.E. Centers.
- Residents should stay inside of their vehicles when the waste is offloaded.
